

Description:

- Vest is especially intended to be hidden under clothing.
- Unique design ensures maximum movement freedom while maintaining the largest possible protected area.
- Equipped with an internal, elastic stabilizing belt for better wearing comfort.
- Height adjustable with velcro fasteners on the shoulder.
- Lateral adjustment carried out by means of side velcro fasteners, which guarantee a secure fastening and fit to the user's body shape.
- The arrangement and construction of the fasteners do not damage the outer garments.
- High comfort of use is ensured by the best quality materials like internal spacer mesh for proper ventilation and sweat.
- Proven quality thanks to the abrasion-resistant and non-staining materials which doesn't dye the outer garments, as well as not causing allergic reactions.
- The vest available in beige colour.
- **The vest is characterized by high fragment resistance.**

Bulletproof resistance regarding soft ballistic panels front / back

Bulletproof	Fragment resistance	Knife blade / spike resistance
Class K2 according to PN-V-87000:2011 bullet resistance 7,62 x 25 mm TT, weight 5,5 g, impact velocity 420 ±15 m/s	Class O2 according to PN-V-87000:2011 fragment resistance of weight 1,1 g, impact velocity from 525 to 600 m/s	1 level according to NIJ 0115.00 Product

Product designed and intended for civil usage.
